

Medicare Information Meetings

Have you received your Medicare Card in the mail and wondered "what do I do now?" Do I need to sign up for Medicare Part B because it costs me money? Or you are nearing the Medicare age of 65 and receiving "tons of mail" from healthcare carriers advertising their medical coverage? Do you ask yourself "should I stay with the City's plan or choose something else for my coverage?" Are you confused with all the choices out there?

Get the answers to the above and more by attending one of the Medicare Informational Meetings that will be held in November. The City Benefits Office, in conjunction with representatives from BlueCross/BlueShield and CIGNA, will be in attendance to answer your questions. This meeting is primarily to educate the Medicare eligible retiree of their responsibilities and choices as it pertains to health coverage. But it is also for any retiree who has questions about their options as they come closer to Medicare eligibility.
